

## Employee Transport Management System

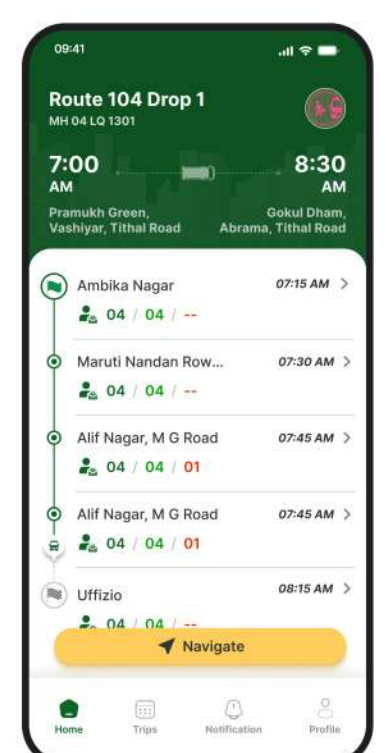

### Key Users

Employee App

Manager Portal

Driver App

### Key Benefits

#### Optimized Route Planning

Minimize travel time and fuel consumption, resulting in cost savings.

#### Attendance Management

Simplify tracking of employee absences and leaves.

#### Live Video Surveillance

Real-time safety with live video surveillance, instant visibility for enhanced security.

#### Custom Shift Reports

Generate reports on shift timings, late arrivals, and overtime.

#### Cost Reduction

Lower fuel costs, minimized idle times, and efficient fleet management.

#### Time Management

Ensure accurate ETAs and on-time arrivals of employees.
